

Nazli Abid Nisar

Vice President, FPCCI

Vice President, WCCI South

CEO & Founder, Bells n Bells

Director, ATC Pakistan (Pvt) Ltd.

Nazli Abid Nisar, *CEO & Founder of Bells n Bells and Director, ATC Pakistan (Pvt) Ltd.*, currently serving as a *Vice President of Federation of Pakistan Chambers of Commerce & Industry (FPCCI)* and *Vice President of Women Chamber of Commerce & Industry (WCCI South)*, is known for organizing spectacular events. She has an eye for detail and a talent for whipping up seamless events. She brought the awe-inspiring ingenious idea of "Bells n Bells" into motion over a decade ago along with her other ventures including **Bells Fashion Gallery**, **Cuisinery by Bells n Bells** and charitable causes like **Support A Mom** and **Educate a Girl**.

She held the post of *Vice-President, Federation of Pakistan Chamber of Commerce & Industry (FPCCI)* in the 2018 election.

Nazli understands the importance of strong relationships, open communication and unwavering commitment to each and every event, and makes it her personal goal to ensure each event is unique, memorable, stunning and impeccably organized. Rest assured, she will apply the same entrepreneurial principles to all her ventures and causes.

She is a housewife, a devoted mother, and a successful entrepreneur with strong enthusiasm and love for event planning which gave birth to Bells n Bells. She specializes in decor, packing, wrapping, weddings, birthday theme parties and large-scale events including festivals, carnivals and corporate events. Bells n Bells has customers all over the world in countries like Australia, Canada, Saudi Arabia, UAE, UK, and USA.

Nazli has been promoting Pakistani culture on an international level. She is well-known for her work locally and internationally. She is also recognized for her social work towards noble causes like Educate a Girl, Support A Mom, Charity Fund for Minor Thalassemic Children and collaborative work with other social institutions like Indus University and Dawood Global.

Nazli wants to expand her work towards women empowerment, not just in Karachi but all over Pakistan. She wants to enable women in all fields of life, regardless of class, culture, religion and other societal boundaries, to have the same opportunities Allah has bestowed upon us.

She says, *"We are extremely lucky to have had such privileged and easy lives compared to what women in Pakistan have to succumb to every other day. We shall not take it for granted, and do and give back as much as we can to the community."*
